**Sub: Extension of the last date for submission of Abstracts for the 30th West Bengal
Science and Technology Congress,2022-23**

Madam/ Sir,

In connection with the above, it is ascertained after verifying the Vigyanchetana portal that only a few Abstracts have been received from the potential Scientists/Researchers for the 30th West Bengal Science and Technology Congress 2022-23 which is far below the target and vehemently affects the objective of the program.

So, because of the present situation, it has been decided by the authority to extend the last date for submission of Abstracts in all disciplines of Science and Technology up to **15th November,2022**.

You are requested to kindly arrange for the wide dissemination of the information regarding the extension of the last date for submission of Abstracts among the Colleges and all Universities of the comprising Districts to facilitate the scientists/ teachers/ scholars and encourage them to submit quality papers for the success of the Congress. Newspaper publication in this regard has been done from this end.

Your immediate intervention is requested in this regard.

Yours Faithfully,

Joint Secretary

to the Govt. West Bengal
